**‘ALL-ACCESS PLANS’**

Allows students to enter the Commons Dining Hall as many times as they like for a full meal or snack.

**‘BLOCK PLANS’**

Allows students 125, 165 (residential) or 50 (commuter) entries to Commons Dining Hall per semester. The 165 block and the 50 commuter block allow students meal equivalency at participating retail locations.

**‘MEAL EQUIVALENCY’**

A meal equivalency is a meal option that is offered in our retail operations (you can use a swipe from your block or unlimited plans). All retail locations will have meal equivalency options to choose from with the exception of The Village Market & POD Express. Starbucks Meal Equivalency is limited to Premium memberships only.
