

# *Reducing our* **CARBON** **FOOTPRINT**

In an effort to reduce our carbon footprint, we are offering a reusable to-go container to all students on a meal plan

- Return your dirty container to us and swap it out for a clean one
- If you do not want a new container, we will swap out your dirty container for a key fob until you need a new container
- \$5 replacement cost if you lose your container

### FAQs:

**Q:** How can I sign up for the reusable to-go container program?

**A:** To begin they just see the cashier at commons and they are given a complimentary to go container or a key tag

**Q:** Where can I exchange my dirty container or key fob for a new container?

**A:** The Commons at the cashier station

**Q:** How does my used To-Go box get cleaned?

**A:** Bring us back the dirty container and we will run it through our industrial strength dishwasher at a temperature of 180 degrees. That is 60 degrees hotter than your standard home dishwasher

**Q:** How durable are the reusable To-Go boxes?

**A:** Very! Fill it with a well balanced meal and click it shut
